# Workout

## CBD Protein Powder

300MG | 15MG Per Serving

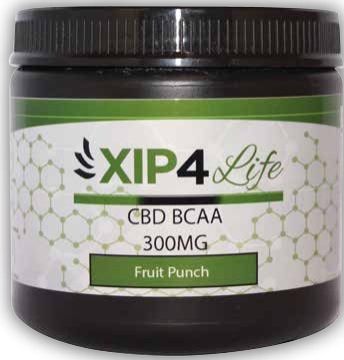

WHATEVER your sport, recovery is important. Our CBD infused protein is designed for athletes looking to take care of their bodies with the best ingredients we offer. NO additives, no fillers, and sweetened with natural organic sugar and Stevia.

Our recovery protein helps support healthy recovery from training and competition.

**CONCENTRATION OF WHEY ISOLATE** Cow's milk is 20% Whey Protein and 80% Casein Protein. Whey Protein Isolate contains immunoglobulins, 65% Beta-lactoglobulin. 25% Alpha-lactalbumin and 8% Bovine Serum Albumin. These substances are soluble in water regardless of their pH level because this whey is not sourced from an animal-based rennet, it is lacto-ovo vegetarian friendly.

**SERVING SIZE & TIMING:** As a dietary supplement, take 15 to 30 grams daily, or as directed by a physician. The recommended serving size for weightlifting is 1 gram of protein per kilogram of body weight.

**WHEY ISOLATE SIDE EFFECTS:** Whey Protein Isolate has no reported serious side effects when used correctly. Taking this supplement beyond its recommended dose, however, can cause headache, nausea, stomach cramps, bloating, diarrhea, fatigue and reduced appetite. Proteins not properly digested and left to ferment in the colon can cause flatulence and can produce unsaturated fatty acids.

## CBD BCAA - 300MG

300MG | 8OZ

Our CBD infused BCAA enhancer can easily be mixed into your favorite protein shake or even just water. It will help to maximize your energy levels while allowing your body to build muscles and burn fat faster. It also aids in the body's ability to recover faster and reduce muscle inflammation.

BCAA will turbo-charge your performance naturally. Each serving contains 30mg of CBDs. It also contains vitamins B and C along with L-Citrulline Malate, Electrolytes, Glutamine and Taurine.

**FLAVORED:** Fruit Punch

**INGREDIENTS:** Vitamins B and C along with L-Citrulline Malate, Electrolytes, Glutamine and Taurine.

**DIRECTIONS FOR USE:** Add to any drink of your choice.

## Nano CBD Oil for Pets

150MG & 300MG | 1.01 FL OZ

Give your loving companion a boost of everyday support and relief with Wildlife CBD Nano-Amplified CBD Oil, an all-around blend packed with essential cannabinoids, vitamins, probiotics, and healthy fatty acids supporting a healthy endocannabinoid system from nose to tail. Dogs, cats, birds, reptiles, and many others alike may enjoy directly or as an additive to food. This endocannabinoid support formula and all Wildlife CBD formulas are 100% THC-free and non-psychoactive.

**Main Ingredient:** Nano-Emulsified Anhydrous CBD Oil (Aerial Parts)

**Other Ingredients:** Wild Salmon Oil, MCT Oil, Probiotics, Vitamin D3 and Vitamin E

### CBD Concentration per bottle:

**150mg:** Each full 30mL bottle contains 150mg of CBD, 30 – 1mL droppers of ~5mg of CBD (full dropper). Each full dropper holds 1mL = approximately 20 drops

**300mg:** Each full 30mL bottle contains 300mg of CBD, 30 – 1mL droppers of ~10mg of CBD (full dropper). Each full dropper holds 1mL = approximately 20 drops

### Feeding Guidelines:

Dosages vary between species, breed and weight.

Body Weight	Recommended Serving (2x Daily)
-------------	--------------------------------

<25 lbs	< ½ dropper
26-50 lbs	1 full dropper
51-75 lbs	1 ½ full droppers
76-100 lbs	2 full droppers
>100 lbs	2+ full droppers

Start with the recommended serving and observe for a week. Alter dosage if necessary. Increased serving size is safe. Administer orally or add to food.

**Dropper Use:** To use the dropper, unscrew the dropper, squeeze and release the rubber bulb at the end to draw the liquid up into the glass pipette. The dropper will be half full which will be a “full dropper”. (Oil will not fill the entire dropper) Then gently squeeze the rubber bulb to apply the liquid a drop at a time.

**For Best Results:** Shake well before use.

Consistency is key to your pet’s daily routines success.

Store in a cool, dry place.

Please consult with your veterinarian if your pup is on other regular medication.
